Dear Ron

## Clayton Utz - Social Club Boxing Sessions

Thank you once again to you and your assistant Paloma for providing our Tuesday evening boxing sessions between 1 August 2006 and 5 September 2006 for the Clayton Utz Social Club.

Everyone who attended the classes has provided positive feedback on your sessions. The classes were well organised, fun and provided a good workout.

You and Paloma were always enthusiastic, motivated and energetic. Many of the participants have even inquired about attending additional sessions with you.

We would be keen to work with you again if a further opportunity arises.

Regards
