RE: FITNESS 4 U - FITNESS PROGRAMS

Jones Lang LaSalle recently used the personal fitness services of Ron Daniels for a Physical Challenge program ran by the company.

During the 12 week program Ron ran a variety of classes which were easily adapted for differing fitness levels within the group.

Ron was very professional and ran a very thorough and enjoyable program. He was flexible and worked in with our requirements.

We will gladly utilize Ron's services for similar programs in the future.

Yours sincerely
JONES LANG LASALLE
